

REFERRED SERVICE PROVIDER APPLICATION FORM

REFERRED SERVICE PROVIDERS

The California Charter Schools Association (CCSA) serves as a resource to share best practices and access resources to support our member schools. An important resource to many charter schools are their business partners and service providers. Vendor members of the Association are encouraged to solicit referrals from other CCSA members. Such referrals will accompany their Vendor Member listing on calcharters.org

HOW TO BECOME A REFERRED SERVICE PROVIDER

All vendor members are eligible to become Referred Service Provider at no additional charge. It's easy to sign up:

1. Forward this form to a charter school that your organization has worked with and who is a member of the California Charter Schools Association.
2. Ask the charter school to fill out the form below and return it to the Association.
3. The Association will update your vendor member's status to a Referred Service Provider.
